Scenes Around The Campus

Dedication

Because of your loyalty to the school, your infinite patience, your unstinted giving of both your time and your talents, your warm hearted personality, and the inspiration you have given us during our years in school, we dedicate this 1957 edition of the UTK to you....

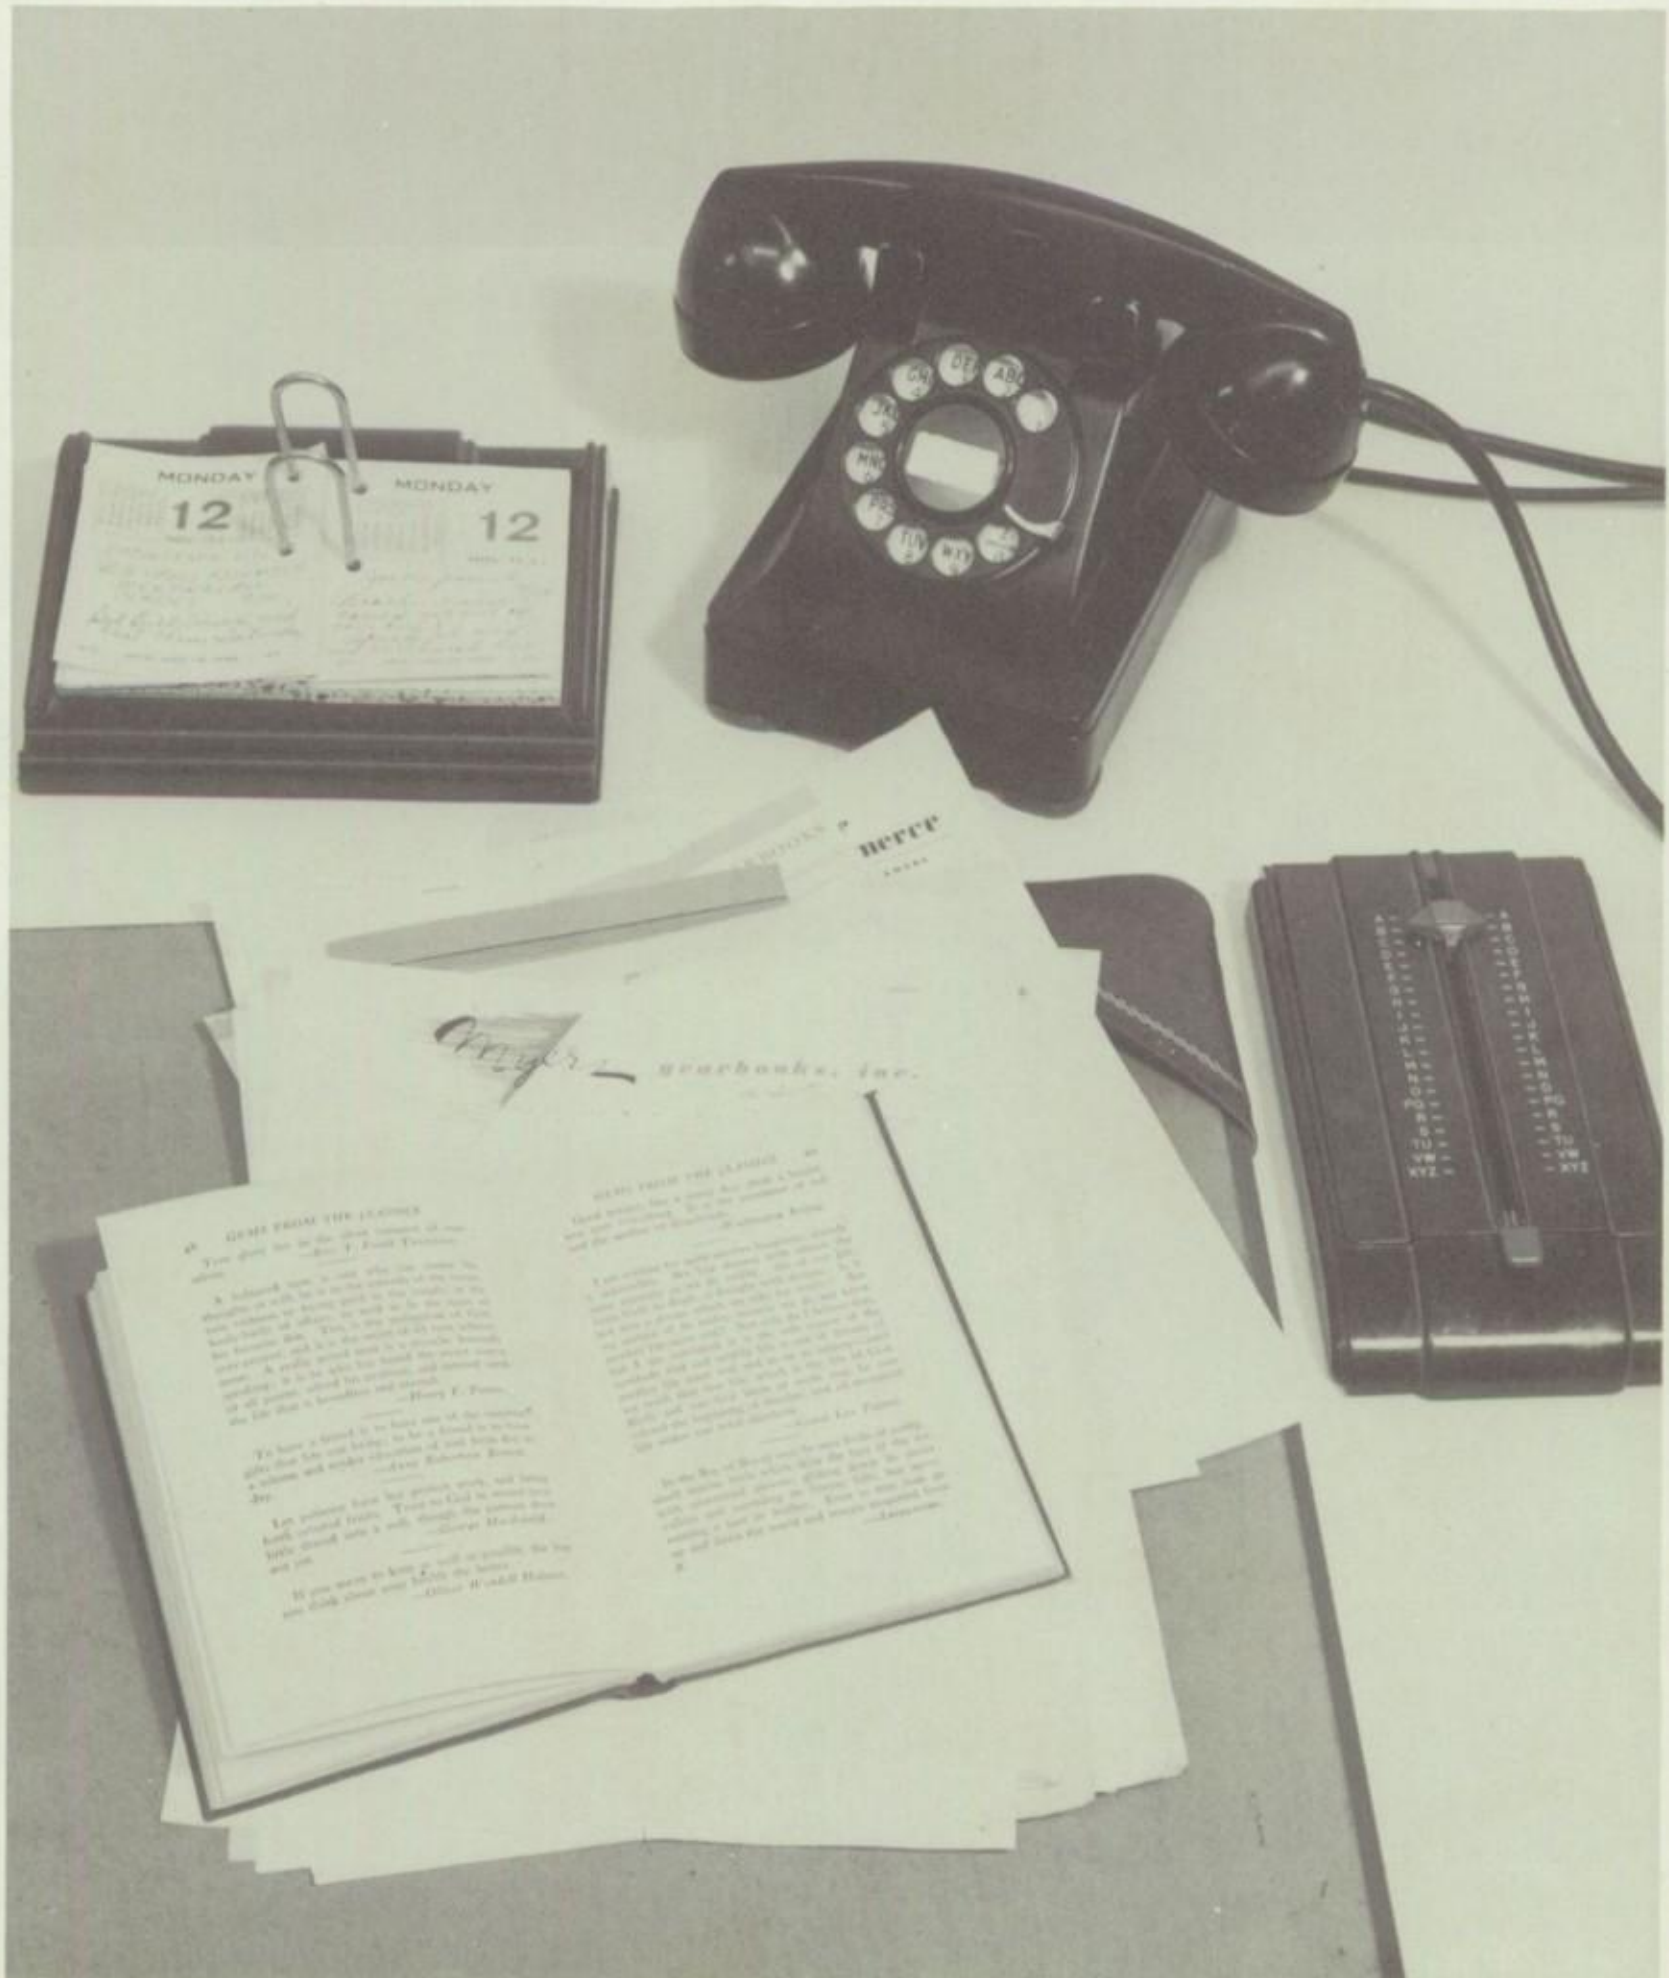

MRS. WILMOT GOODWIN

As you look through the following pages of this book, may the thoughts of the years gone by come back to life again. These days of enjoyment are now in the past, although we shall never forget them. The value of these days will be fully realized as we look back upon them in later years. It is our hope that your enjoyment will equal ours as we submit to you this 1957 UTK.
